## **Neighborhood Protection Plan Returns to ZONE A on August 7<sup>th</sup>**

The third professional football and special event season in the University of Phoenix Stadium is gearing up to begin on Thursday, August 7. "Zone A" residents who live near the sports and entertainment district should be prepared for events going on in and around the Westgate area.

As in the last two years, the neighborhood protection plan will be implemented on event days. This is a service provided to you by the city, to ensure the quality of life in neighborhoods is maintained and cut-through traffic is minimized.

This bulletin has information and instructions on the plan. If you are a Zone A resident, you will also receive a newsletter from the city of Glendale in the mail this week. The mailer will provide more details, maps and information on neighborhood protection services for the upcoming stadium event season.

### **Zone A Resident Placard Instructions**

**PLEASE NOTE: THE VEHICLE PLACARDS ISSUED TO YOU LAST YEAR ARE STILL VALID.**

- If you lose and/or need additional placards, please call (623) 930-3686.
- Barricades will be in place on event and game days. Zone A residents need to display their vehicle placard, which should be hung on their rearview mirror, so that the staff can identify you and see your vehicle placard.
- In the event you forget or lose your placard during an event, you will be asked to show the barricade attendant proof of residency. Your driver's license will be the most convenient form of identification.
- Vehicle placards can only be used for entrance into your neighborhood. They cannot be used for access into any pre-determined parking areas related to University of Phoenix stadium events and/or Jobing.com arena events.

### **Zone A Instructions for Guests/Visitors**

- Placards will not be issued to visitors or guests. If you expect visitors on an event day, please contact the Zone A Resource Line at (623) 930-3686 prior to the event. Please follow the recorded instructions. A "visitors list" will be used to permit entrance by your guest(s), to your residence. You may also enter your visitor information online, by visiting: [www.GlendaleGotGame.com](http://www.GlendaleGotGame.com)
- Please ask your guests to use the following entry sites for your neighborhood (doing so will ensure convenient access into your neighborhood):

- o **If you live in Rovey Farm Estates**, the guest entrance will be located at 83<sup>rd</sup> Avenue and Emil Rovey Parkway.
- o **If you live in the Desert Mirage Area**, the guest entrance will be located at 83<sup>rd</sup> Avenue and Maryland.
- o **If you live in Pendergast Estates**, the guest entrance will be located at 91<sup>st</sup> and Marshall Avenues.

If you will be having visitors on the day of a game and did not have a chance to register them, you may leave a message with the barricade staff or call the hotline, as the Neighborhood Resources Line is not answered on the weekend. If you have additional questions or concerns on game day, you may call the hotline at (623) 930-3214. If an unplanned visitor desires access to your place of residence, attendants have been instructed to secure your telephone number from the visitor and make contact with you to seek approval for admission. If contact is not made, the unplanned visitor will not be granted access to your neighborhood.

Once again, I thank you for your cooperation and as always, please contact me personally with any questions or concerns.

— Joyce
